

Maths

Measurement: will use measuring equipment such as rulers and weighing skills to measure and compare quantities of mass and length. Pupils will solve problems involving measurements.

Music

Music was an integral part of Aztec life. The Aztecs used musical instruments when they worshiped. Pupils will make and use rattles to create or follow different rhythm's.

Art

Pupils will fill the classroom with colourful Aztec masks. Pupils will design an Aztec inspired mask before making it with paper-mâché and card. They will then use a range of materials to add detail to it.

Design and Technology

Aztecs believed that cacao seeds were the gift of Quetzalcoatl, the god of wisdom. The classroom will be filled with the smells of chocolate as pupils become chocolatiers by designing and making their own chocolate bar to include their favourite flavours.

Religious Education

Who is the Aztec Atlaua? Pupils' will investigate the Gods that the Aztecs worshipped and compare the differences and similarities to the Gods that Christians, Muslim and Hindus worship.

KS1 Amazing Aztecs

Reading VIPERS

Focus Book - Wanted the Chocolate Monster, by Pip James

History

Pupils will travel back in time to Mexico pre 16th Century, to discover the Aztec's. Pupils will explore Aztec culture as well as the Gods that they believed in. Did you know cacao seeds were that valuable to the Aztecs they used them as currency?

Geography

Where do cacao seeds grow? What do cacao seeds make? Pupils will follow the journey of the much loved bean to bar. Including what it means to eat Fair Trade.

Science

Pupils will become keen gardeners by growing cress and flowers. They will explore what plants need in order to grow. They will use experiments to find out the best growing conditions for cress within our school.

English

Pupils will be the creators of their own television advert, to advertise their chocolate bar. Over the term they will immerse themselves in persuasive language to add to their advert.
