

Maths

As Mathematicians we will focus on place value and addition and subtraction.

We will practise counting in 2,3,5 and 10s.

Computing

Children will explore how to be safe online and will learn how to write and send emails

ART

As Artists we will learn about L.S Lowry and will create a piece of artwork inspired by his work.

English

As Writers we will explore the world of fairy tales.

We will read a number of stories including Rapunzel and Little Red.

We will also read an untraditional fairy tale – Zog. Children will retell these stories and use their imagination to write an ending to a fairy tale.

Religious Education

We will be looking at nature and religion, linking to the Harvest festival and Sukkot.

KS1

Kings and Queens

Queen Victoria

Reading VIPERS

Focus book - Fairy tale pets

History

As Historians we will learn all about significant Kings and Queens and explore what their role was. We will also look into life during the Victorian Era and what life was like for Victorian children.

PE

We will be focusing on developing balance, agility and co-ordination.

Children will practise different balances and rolls.

Science

As Scientists we will learn about animals including humans. We will learn about life cycles; what humans need to survive and how to live a healthy life.
