

## History

### Revolutionary War

13 original colonies and the reasons behind the American war of independence.

### Native Americans

- Pocahontas, Sitting Bull, Crazy Horse.
- American Indian tribes and way of life. Indigenous people.

## English

### Holes (Louis Sachar)

Using the Read & Respond resource and with links to the English National Curriculum Objectives, work through the text with a series of activities covering reading, grammar, punctuation and spelling, plot and character setting, writing, speaking and listening and assessments.

## Geography

### Landmarks (Road Trip)

As Geographers: we will use a range of different maps to develop our understanding of the physical and human geography of the USA. We will study the different biomes of the USA and the major mountain ranges and rivers. We will look at how human activity has shaped the physical geography of the USA as we travel from place to place over the weeks

## RE

### Justice and Freedom

1. What Is Freedom?
2. What Is Justice?  
Exploring Stories 1
3. What Is Justice?  
Exploring Stories 2
4. Human Rights
5. Non-Violent Protest Movement
6. Which Is More Important: Freedom or Justice?  
...all children should be able to:
  - understand that freedom and justice have more than one definition;
  - explain how beliefs about freedom and justice have influenced the actions of important figures in history and today.

## D/T

### Structures and Buildings

Apply their understanding of how to strengthen, stiffen and reinforce more complex structures

\* To learn about, describe and compare the features of the tallest and longest structures in the world.

\* To understand how to strengthen, stiffen and reinforce more complex structures.

## PE

### Baseball/American Football

Using running, jumping, throwing and catching in isolation and in combination.

Children will play competitive games, modified where appropriate, and apply basic principles suitable for attacking and defending

## Science

### Earth and Space (Links to NASA)

Describe the movement of the Earth, and other planets, relative to the Sun in the solar system

Describe the movement of the Moon relative to the Earth

Describe the Sun, Earth and Moon as approximately spherical bodies

Use the idea of the Earth's rotation to explain day and night, and the apparent movement of the sun across the sky.

## Art

### Artist Study

Andy Warhol and Jackson Pollock  
(3Weeks on each artist)

\* To create sketch books to record their observations and use them to review and revisit ideas

\* To improve their mastery of art techniques, including drawing, painting and sculpture with a range of materials

\* Learn about great artists in history.
